THE FAMILY STUDY CENTER

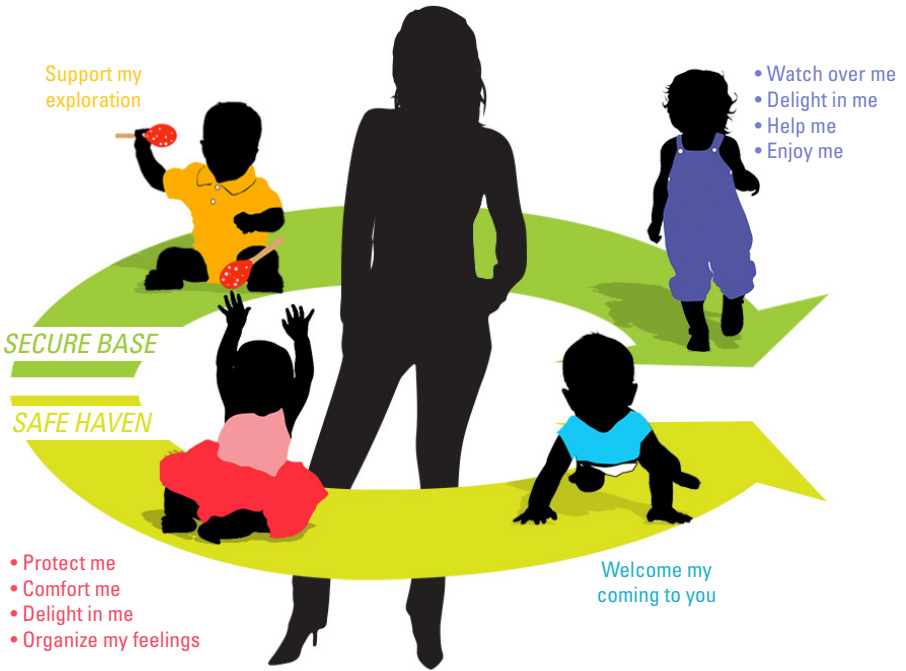

Create a simple environment
and let me discover it for myself.

I am competent
please invite me to help.

CIRCLE OF SECURITY

Parent attending to child's needs

Always: Be bigger, stronger, wiser, and kind

Whenever Possible: Follow my child's needs

Whenever Necessary: Take Charge

Let's be partners...

I need freedom to explore, and you need to be there physically and emotionally.

Tell me what you are going to do and ask my permission.

I'm a person too!

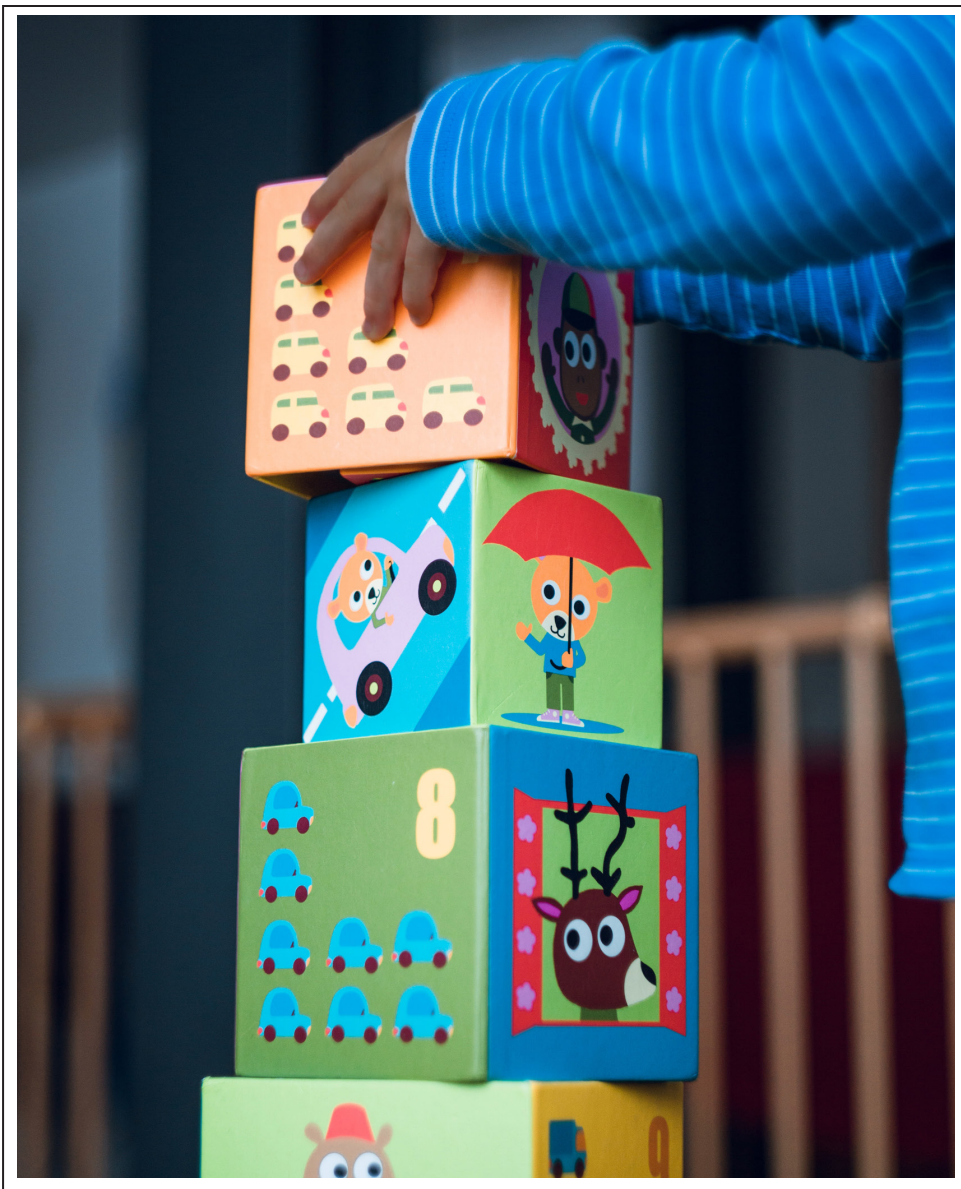

Please be quiet and peaceful...
Babies growing inside.

Please go at my pace...
my brain is still growing.

Please respect me...
*I'm a whole person, just
in a little body!*

Please wait for me to
figure it out...

I learn better that way.

Please, no cell phones...
*We need you to be
present with us.*

**Talk to me and then watch for
my cues...**

*I am learning your language and I
will teach you mine!*

*You show that you respect me in
the ways that you care for me.*
